The Student Council of Cartersville Community High School sponsored by Mr. Dawson, CCHS Principal, is an elected body which serves as a liason between students and administration. This year Student Council has begun having open meetings inviting any interested student or faculty member to attend and present his views.

CCHS School Board

Superintendent Taft Baker

Carterville Unit 5 is most fortunate in having a forward looking progressive group of public spirited men who spend countless hours serving as school board members. Teachers and students alike have benefited from Board decisions on dress, Senior Trips, and an away from school Prom. This group of dedicated men aided by Superintendent Taft Baker is always available to teachers, students and community members with problems.

Board President, Lloyd Henderson, Jack Groves, Jerry Harris, Harry Simpson, Mr. Baker, Bill Bleyer, and Tom Horn. Virgil Brandon was not present.
